Subj: Upcoming Night Market & Trade Fair

---

Iokwe,

The Office of Commerce, Investment, and Tourism is pleased to inform you that we have officially confirmed the date for the upcoming night market, which will be held at the ***Ebeye Wilmer Bolkeim Gymnasium on November 4, 2022, from 5 p.m. to 10 p.m.*** The upcoming night market is open for Ebeye vendors as well as Majuro vendors, and we're bringing Majuro vendors to make this event successful and fun for the Ebeye community. In addition, we are organizing a three-day trade fair in collaboration with the Ministry of Natural Resources and Commerce, Trade Division, on November 5, 6, and 7, 2022, which will be held after the Ebeye Night Market on November 4th. With this, we have also included our trade fair vendors to sell their goods and products during the upcoming Ebeye Night Market. We are excited as this will be the first night market that will be held in Ebeye, Kwajalein, and we want to make it lively and bring the best vendors in Majuro.

As we are planning this event, we'd greatly appreciate your support and assistance in making this eventful. As a co-host, we kindly request the Kwajalein Local Government assistance in the following:

- Setting up the Wilmer Bolkeim Gymnasium
- Extra manpower
- Choose and communicate with the chosen band
- Providing accommodation for incoming Majuro vendors, a total of 10 rooms at Ebeye Hotel or any other accommodation.
- Providing tents, tables, and chairs for the night market vendors.

The Office of Commerce, Investment, and Tourism will provide the registration form on our website at [www.rmiocit.org](http://www.rmiocit.org). This will help keep track of the number of vendors. There will be no registration fee for Ebeye vendors as we want to make it a memorable first night market in Ebeye.
